WATSON BLDG. WINS FROM OWENS TEAM

Game Was Very Interesting and Full of Good Plays.

Owens dropped a stubbornly fought game to the Watson building at South Side park yesterday evening by an 8-4 score. I. Boise the Owens twirler pitched a fine game, but eight errors at critical stages of the game, spelled his defeat.

It is useless to say that McDougal the Watson building speed artist pitched a good game for a glance at the box score will show but three safe hits chalked up against him. From the start about all the Owensites could get from McDougal was a prayer and the way that some of the bottlemakers hated holes in the air, it looked as if their prayers were not answered all of the time.

Things looked interesting for the bottlemakers when in the first inning, Beverly Garrett the Owens leadoff man came up and swatted the pill to deep right field for three bases. Unfortunately Beverly stepped over the sack as he was rounding first base and his mistake was detected by the umpire and the runner called out. In the second inning it looked as though the lads from the big building would never get the bottlemakers headed off, for the first three men up were given passes by R. Smith, the generous Watson building mound artist, who at this time was relieved in favor of McDougal. The Owens players were finally stopped but not until they had scored four runs.

A feature of the game was the fine catch made by Kelley, Owens right fielder who robbed Schimmel of a hit good for at least three bases. Another feature was the home run clout made by Pat Simon, first sacker for the Watson building team with Jackson on second base.

For the first time since the City league opened there were serious objections to the decisions of the umpire in last night's game. The Owens players contended that their defeat was responsible to "Sandy" Toothman, the umpire.

Following the game some of the Owens and Watson building players entered into discussion of the umpire's decisions and before the discussions were over several hicks were struck. Gerkins, center fielder for the Watson building, Kelley, right fielder for Owens and an Owens fan by the name of Clevering being the chief participants. The score:

OWENS	AB	R	H	P	A	E
Garrett, c	4	0	2	7	0	2
Mills, 3b	4	0	0	1	0	1

Machinists Will Play the Railroaders

The Mining Machinery and the B. & O. teams will clash in a baseball game at South Side park this evening beginning promptly at 6:30 p. m. In their last game the Mining Machinery team held the Monongah Glass team to a tie score. The B. & O. realies that they have a stiff game ahead of them but will make every effort to stand the pressure.

City League Games Saturday Afternoon

One of the best games which will be seen in the City league for some time will come off at South Side park Saturday afternoon of this week when the Watson building and the Monongah Glass teams face each other. The two teams are the only teams in the league which have not been defeated and they will fight hard for the honors. The game Saturday will also be a big factor in determining the comparative strength of the best teams in the league.

Sport Chatter By The Onlooker.

If the city league baseball players in general would stretch themselves and play a little better baseball there would be less stretching in the grandstand.

At that the game last night was alright, excepting the arguments.

In this day and age a city league umpire should be equipped with some dangerous weapon instead of a good reputation.

Carolina is coming into the baseball world again with Manager Hite at the helm.

There were not enough tennis courts for the large number of tennis players who showed up at the Y courts last night.

Ashcraft got two more hits last night in four trips to the plate.

C. Mills has been promoted—got too good for the B. & O. nine and he is now an Owens third sacker.

Owens got only three hits and "Bev" got two of these.

The man who is to enforce that City league by-law: "Profane language absolutely prohibited," surely was not at South Side last night.

Winnipeg Locals Sympathy Strike

WINNIPEG, June 13.—H. E. Barker, chairman of the Railway Brotherhood mediation board, informally announcing today that attempts to conciliate strike controversies had failed admitted that the Brotherhoods are facing strong pressure from railroad employes to permit Winnipeg locals to vote on the question of a sympathetic strike.

COLORED TEAMS TO PLAY. A good game of baseball is expected at Traction park Sunday afternoon beginning at 3 p. m. when the Monongah colored baseball team and the colored team from Clarksburg will clash. Fred Stubbs is manager of the Monongah team and is planning to have a strong team in the game.

PLAYER LOSES GLOVE. Guy McDougal, the twirler for the Watson building team lost his twirler's mitt at South Side park yesterday evening. The mitt has McDougal's initials on the web of the glove between the thumb and forefinger.

RICH, RED BLOOD FOR SICK PEOPLE

Purify the Blood and You Will Learn the Joy of Living.

If you are easily tired, nervous, fretful, pale-cheeked, dull-eyed, and seem to be growing weaker every day, or if you suffer from headaches, dizzy spells and sleepless nights, it's a sign that your system is not receiving enough nourishment—that your blood is thin, watery and impure. The blood is the fuel of the body, and like fuel under a boiler that is pure and full of energy, supplies plenty of steam power and life. But if the blood is watery and impure, it like poor fuel gives forth little energy and soon the wheels refuse to go. Start now to regain your health, your old-time "zip" and vigor by taking a little Novo San (new blood) every day. Novo San, the new blood builder, has been thoroughly tested and tried out by responsible physicians of large practice and remarkable results have been obtained, especially so in Skin Diseases, Rheumatism, Anaemia, Nervousness, Faulty Nutrition and Weak and Run-down Conditions following Grippe, Flu and other Wasting Diseases. One physician says "Whenever a person is weak and run down, pale, hollowed and nervous, broken in health and spirit, Novo San is needed." Novo San can now be obtained at Fairmont Pharmacy, Fairmont; Windsor Drug Co., Monongah; W. P. Moran, Farmington; Frank J. Yost, Fairview, in packages containing 12 days' treatment. Sold on the following guarantee basis—if you are not satisfied or if you do not feel at least 50 per cent better after taking Novo San regularly according to directions for 12 full days, return the box to your druggist and get your money.

PLAYERS SHOULD READ LEAGUE RULES

Some of Them Bear Directly Upon the Conduct of the Players.

The one hundred players of the City league should all acquaint themselves with the by-laws of the league in order that they might be guided accordingly. The by-laws printed below have been adapted by the managers of the various teams.

One interesting rule is Rule 8 against the use of profane language, giving the umpire permission to remove the players violating this rule. The by-laws read as follows:

By-Laws of the City League of Fairmont.

Rule 1. The name of this organization shall be The City League of Fairmont.

Rule 2. The object shall be to furnish out door sport, thus affording those who are confined to office and shop an opportunity to indulge in healthful exercise and to promote and help perpetuate the amateur base ball in our city.

Rule 3. The following teams shall constitute the league: Owens Bottle Works Monongah Glass Co., Mid-West Box Factory, Mining Machine Co., Watson Building, West Virginian, B. & O., and Stevenson's.

Rule 4. Members of each team shall be employees of the concern their team represents. Employment shall begin two weeks prior to any game in which a player may participate, and players shall be eligible to play one week after severance of connection with his firm.

Rule 5. The schedule shall consist of games, starting May 30, and ending not later than October 1, 1919.

Rule 6. The President of the League shall arrange to have an umpire and two new balls at the beginning of each game.

Rule 7. Games shall be played according to schedule adopted. Such games as are postponed because of bad weather or wet grounds will be played at times mutually agreed upon by the Managers of teams concerned.

Rule 8. The use of profane language is positively prohibited in all League games. The umpire shall remove all players violating this rule and the executive committee shall have the power to remove from participation in the League such players as are decided to be objectionable.

Rule 9. The official Base Ball rules shall govern all games. The Captain of the Team shall be solely in charge during the period of the game.

Rule 10. Any team failing to comply with the schedule shall forfeit the game.

Rule 11. The officers of the League shall be President, Vice-President and Secretary-Treasurer.

Rule 12. There shall be an executive committee consisting of one member from each team in the league, said member being the manager or his representative, the President being the chairman of this committee.

Rule 13. Immediately following the game the official scorer shall furnish newspapers with a copy and shall return the score book to the mail box of the President, in the Y. M. C. A. building.

Rule 14. Such points as are not covered in these RULES shall be decided by the Executive Committee. A suitable trophy shall be presented to the winners at the close of the season.
